

# BRAEMAR GALLERY EXHIBITION PROGRAM

 BRAEMAR  
HOUSE

## APPLICATION FORM

## **Who can exhibit?**

To exhibit at Braemar House & Gallery, potential exhibitors may be artists having a solo exhibition; those wishing to share the space with other artists, group exhibitions; and community group exhibitions. For shared space, group and community group exhibitions, please appoint one coordinator who will represent the group and liaise with the Braemar Gallery Committee.

## **How is selection made?**

In order to provide a fair and transparent process, your request will be assessed by the full Braemar Gallery Committee using the approved evaluation criteria listed in the 'Braemar Gallery Guidelines'. The Committee reserves the right to accept or refuse exhibition submissions at its discretion. If accepted, you will be notified of possible dates, and receive further documents to be completed and returned.

## **What costs are involved?**

As of 10 November 2015 The Blue Mountains City Council has made Braemar Gallery available free of charge to exhibiting artists. Braemar Gallery will provide limited install materials – subject to negotiation and confirmation in writing by the Exhibitions Coordinator. Generally this includes hanging wires, gallery lighting, gallery plinths and artwork labels. Should extraordinary display materials be required, these will be the responsibility of the exhibiting artists and will need to be approved by the Exhibitions Coordinator.
